HAVE YOU WEAK LUNGS?
Do You Fear Consumption?
"When we take into consideration the fact that one out of every seven in this climate die of consumption, is it any wonder that it is feared by the people of Maysville who have weak lungs and chronic colds and coughs?" said Mr. Pecor, our local druggist, to a Public Ledger reporter.

"A famous London physician has for years urged his patients, when the slightest tendency to consumption appeared, to take all the cod liver oil possible into their systems, and physicians everywhere have recognized its value for coughs, colds, bronchitis, consumption and all wasting diseases, but, unfortunately few could take it and derive any benefit from its use, on account of the indigestible grease which it contained."

"Now," continued Mr. Pecor, "I want every person in Maysville to know the value of our new cod liver oil preparation, Vinol. It actually contains in a concentrated form all of the body-building elements of cod liver oil actually taken from fresh cods' livers, without a drop of oil or grease to upset the stomach or retard its work."

"Therefore, wherever old-fashioned cod liver oil or emulsions will do good, Vinol will do far more good. We guarantee Vinol will improve the appetite, strengthen digestion, make rich, red blood, create strength, cure chronic coughs and colds and strengthen weak lungs."

"We have letters from people who have been given up to die in consumption and claim to have been cured by Vinol. Among others is the following from Mrs. J. G. Brown of Anderson, Ind.:

"Our daughter was on the verge of the grave with consumption. Our family physician said she could not possibly recover. She was so weak we could only give her half a teaspoonful of port wine at a time, this being the only thing she could take into her stomach. We tried Vinol, however, and, after taking several bottles, our daughter was up and taking her meals regularly, and is now as healthy as she ever was. We hope other dear ones may be saved as ours was, and words are inadequate to express our gratitude to you and your splendid cod liver oil preparation, Vinol."

"If Vinol fails to give satisfaction to our customers, we return your money without question." JOHN C. PECOR, Druggist.

Prof. Max Haushofer of the University of Berlin believes that life, animal and vegetable, is not extinct on the moon. Water probably exists under-ground, and the last of the Selenites may dwell in pits, craters and caverns, or move by means of wings, and live upon worms. They dare not face the sunlight as we do, and their eyes are like those of bats or owls. It would be interesting to know their ideas about ourselves.

"I used Cascarets and feel like a new man. I have been a sufferer from dyspepsia and sour stomach for the last two years. I have been taking medicine and other drugs, but could find no relief only for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

HIGHEST PRAISE.
Some Maysville Citizens Grow Enthusiastic on the Subject.
The praise of the public is merit's just reward. Nothing in modern times has received the praise accorded "The Little Conqueror."

Of some kinds of praise we are skeptical. We doubt the praise of strangers. The highest praise for Maysville public is hearty expression from Maysville people. Doan's Kidney Pills are endorsed in Maysville. No better proof of merit can be had. Here's a case of it. We have plenty more like it.

James D. Tolle, clerk at Wood Bros. Meat Market and living at 117 Short street, Maysville, Ky., says:
"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding, burning sensation at times. Hearing of Doan's Kidney Pills I began using them, and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

Chamberlain's Cough Remedy the Best Made.
"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried. In fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by all Druggists.
